## A MESSAGE FROM THE PFA COMMITTEE

**THANK YOU** to everyone who came and made our **'WE ARE THE WORLD'** Summer Fair on June 24th such a huge success. We had a fantastic day filled with an amazing sense of community spirit. The feedback from the children is that they had a really wonderful and memorable day and particularly enjoyed this year's attractions: the go-karts were a real success!

A huge thank you to all the staff, parents/carers and friends of the school who gave their time to set up and run the stalls with such energy and enthusiasm and to all of our families who came along and enjoyed all the fun of the fair.

Thank you also for all the donations and raffle prizes we received this year from bric-a-brac to the delicious International food which was once again a highlight of the event.

We really appreciate your support in making the event such a happy and successful event.

### **Together we raised a wonderful £5,35.63 for the children of St. Mary of the Angels.**

The PFA Committee agreed for the funds collected this academic year to go towards the cost of the beautiful mosaic in the KS2 playground. In the new school year, we will be raising funds towards the cost of new lighting in the KS1 playground and a new school public address system which the PFA will be able to use during our PFA events.

### **Share your ideas!**

If you have any suggestions for future PFA events or perhaps you think something was a real success at one of our events, please let us know by coming along to our next PFA meeting in the Autumn Term (date to be confirmed). A crèche will be provided.

### **Share your skills and contacts!**

Perhaps you're a magician or sing in a choir or own a catering company... if we can source anything for our events at a reduced price (or even better for free!) it means we raise even more money for the school.

### **We need your support!**

All parents and carers and staff are members of the PFA. We would love more parents and carers to get involved by coming to meetings to help plan events and help at the event itself. You can get involved as little or as much as you want!

### **And finally ...**

Thank you to all who went out in search of donations of prized for our raffle which raised just under £2,000. A special thank you to the businesses below who made generous donations. It is great to have so much support from our local community.
