

GREEN FOR GRENFELL DAY

FRIDAY 15th JUNE

On the first anniversary of the Grenfell Tower fire, we showed our love and support for all those who died and have been affected by the tragedy by joining with the nation for a minute's silence.

God our Father, sustain your beloved children in times of distress; Lord Jesus, as you became one with us, help us to work together to reveal your kingdom; Holy Spirit, fill our hearts and minds, and guide us into the ways of truth and justice.

May we learn to listen; help us to love.

Heavenly Father, bless and uphold the people of North Kensington and all who have been traumatized by the Grenfell Tower fire, and grant them your healing and peace.

Amen

On Friday 15th June pupils and staff were invited to wear something 'Green for Grenfell' and to donate £1 which we will forward to one of the charities that provide ongoing support for the children affected by the tragedy.
