

We will be providing opportunities for our children to gain credits through the following school arranged activities.

Clubs

- A series of clubs provided which will allow children to gain a maximum of 6 credits towards their graduation.
- All clubs will have learning intentions and outcomes.

Mini Lecture Series

- A series of lectures which will be provided for children across the university to access.
- Lectures will also be placed on website with additional task which will provide 2 credits.

Workshops

- Businesses providing workshops including first aid, stem etc.

With parental engagement we will offer:

Parent meetings

- How to use London as a resource workshop
- Resource guide to london learning destinations
- App access

Local area trails

- School prepared local trails with tasks to complete.

Learning destinations

- Whole parental userguide.
- Website
