

On Tuesday 24th September twenty female pupils from St Mary of the Angels School were invited to take part in the [‘She Rallies’](#) programme which is delivered in partnership with Judy Murray, tennis coach and mother of former Number 1 British tennis player and Wimbledon Champion Andy Murray. The event took place at the Westway Sports Centre and Judy Murray was there on the day so we were delighted that our school was the only school invited to take part in this very special event. The aim of the programme is to develop more opportunities for women and girls in tennis.

In the first half of the event, Judy Murray passed on specialist advice to the young coaches working with our pupils and then she delivered a fun and engaging tennis session during which she led our pupils in a range of drills and games to improve their coordination and tennis skills. Judy was very impressed with our pupils, commenting on their excellent behaviour and tennis skills. The pupils were delighted to take part and each came away with a visor signed by Judy Murray.

Thank you to our partners at Westway Tennis for inviting us to take part in this very special event.
