

Join the Maths Week London Contest

19th - 25th June 2020

Good Morning,

I have entered you into a friendly Maths competition against other Primary schools in London. Your teacher will be ringing you to give you your username, password and school ID.

Go to the website https://www.sumdog.com/user/sign_in and enter your log in details. Then go to the 'Tasks' tab and select 'Maths Week London Contest'. To get you ready you will start with some practice questions before going onto the real quiz. Each pupil needs to log in every day to get points for their class.

Prizes:

The overall 1st place class will receive a Maths Week London trophy. Each pupil in the winning class will receive an app store voucher, either for Android or iOS.

2nd and 3rd place classes will receive medals.

The top 3 pupils across London will receive medals and app store vouchers.

The top class each day will receive a printable daily winner certificate (a class can only be the Daily winner once during the contest).

All pupils who have answered 100 questions will receive a virtual item for their Sumdog house. This item will be delivered automatically as a gift to their account.

We want all of you getting involved. Even though we can't all be together, we can still have team spirit. We can't wait to see how you all get on, best of luck but most of all have fun.

Miss Keane
Maths Co-ordinator
