

CL/LIT

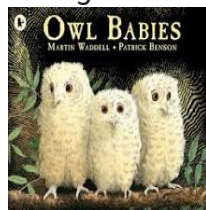

(Communication, Language and Literacy)

We will be introducing the children to Phase 1 of our Phonics programme 'Letters and Sounds' over the coming months. The children will be having lots of fun exploring and making sounds in their environment.

PSED (Personal, Social and Emotional Development)

We will be enjoying the story 'Owl Babies' When three baby owls wake up to find their mother gone, they feel scared and vulnerable. But their anxieties soon prove unfounded by Mum's safe return. This is a charming, reassuring book for any child who has ever worried about Mummy leaving them alone

Another lovey story we will be learning about is 'Dear Zoo' A child writes to the zoo for a pet. The zoo send a series of unsuitable pets, revealed behind flaps in the form of crates and packing cases. These animals are all sent back for different reasons, except the last one, which is perfect! Dear Zoo is twenty-five years old -- and still as popular as ever!

Happy to be me

Nursery

*Autumn 1 - September/October
2022*

Welcome

Welcome to Nursery. Thank you for helping and supporting the children settle in. I am really looking forward to working with you and your children over the coming year.

Mrs Moruzzi

Expectations

Children in Nursery are expected to become increasingly independent as the term progresses. They are expected to go to the toilet and unbutton and hang up their coats by themselves. It would be great if you could give them little jobs to do at home to help them feel more independent.

R.E.

(Religious Education)

Topics:

Family and Baptism. Please see the 'Come and See' RE newsletter for more information on these topics.

MATHS

In Maths this term we will introduce and develop an understanding of colours, shapes and patterns. For the first half term we will learn how to correctly recognise and identify a range of shapes, colours and patterns.

P.D.

(Physical Development)

This term we will be playing a range of games and activities both outside and in the hall with our PE teacher to develop and strengthen our gross motor skills. In the classroom we will be using scissors, pencils and other materials to develop fine motor skills.

(Understanding of the World)

We will be exploring all that Nursery has to offer as well as sharing with our friends all about our families, our homes and our journey to school.
