Parent Workshops – Tuesday 17th May 2022

“How can Speech & Language Therapy help with mental health?”

Dear St. Mary of the Angels Parent/Carer

I would like to invite you to attend one of our forthcoming Parent Workshops at St Mary of the Angels run by the St Marylebone Bridge School (SMBS) Speech & Language Therapy Outreach Service.

Date: Tuesday 17th May 2022

The morning workshop will be held in person in the school hall 9:00-9:30am.

The afternoon workshop will take place from 1:30 -2:00pm via Zoom.

The workshops will run for 30 minutes, with 10 minutes at the end for any questions. Please only attend one, as the content is the same for both workshops

Who are we?

The SMBS Outreach service works with St Mary of the Angels Catholic Primary School throughout the school year. Our aim is to maximise opportunities for all children to develop their speech, language and communication skills. We work closely with staff to build a communication friendly environment and share specialist knowledge.

This is a workshop to raise awareness of speech, language and communication needs (SLCN), the impact SLCN can have on mental health, and how you can support your child to have positive mental health.

Please email Ms Chadwick at office@stmaryangels.co.uk by the end of the school day on Monday 16th May if you wish to attend the Zoom workshop in the afternoon so that we can send you the link for the meeting. If you plan to attend the morning meeting in school there is no need to let us know in advance but it would be helpful so that we can gauge numbers.

With kind regards,

A handwritten signature in black ink that reads 'Marie Hart'.

Marie Hart

Lead Speech & Language Therapist, SMBS Speech and Language Therapy Outreach Service
