Dear Parents/carers, pupils and staff

Calling London Winter Coat Campaign

In winter, nobody should be going to school or anywhere outside without a warm coat. Sadly, many adults and children in London do.

*For seven years, the charity **Calling London Winter Coat Campaign** has been working with schools, businesses and councils to collect unwanted winter coats and redistribute them to charitable groups across London.*

At our School Council meeting last Thursday, Mrs Moruzzi told us about the work of the charity and we have decided to support the campaign, with your help. Please donate any unwanted winter coats you may have at home. We need coats of all sizes for men, women, children and babies as long as they are clean and in good condition.

Chestertons, the estate agents, have kindly turned over 30 of their branches to accept donations. Please bring the coats into school and we will deliver them to the Notting Hill branch or you can drop them there if that is more convenient for you. Last year 3,500 coats were donated to the campaign and 1000 of these were donated through Chestertons so we would like to help increase this number this year.

We are accepting donations from Monday 13th November to Monday 27th November and donations can be handed into the school office.

Thank you for helping us to help others in need and have a lovely weekend.

Lavinia and Dominic, Class J1

On behalf of St. Mary of the Angels School Council
